## یادداشت

از محمد جواد جحتی کرمانی

به پیانه آزادی آقای کرباسچی شهردار تهران  
خدای ابیوند مردم و رهبری سپاهی گوئیم  
... وقت مقابل مردم و رهبری در روند امور کشور...

در اوج هیجانات دو هفتۀ اخیر کشور بین قلم جاری شد که: «دانش‌الله بالانفس گرم رهبری مسئله به خوش بیان خواهد بابت».

که ببرک اتفاق‌السلامی به مدت داده شده است، قوی تر کرد، مغایرت است و هیچ حدی را برای تحقق طبقه برداشت از این مسائل ایجاد نموده است. این مسائل ایجاد شده از خود راهی است که خواستهای این میان‌آزو داشتم و آنچه به وقوع پرست همان آزو را خواستهای ایجاد نموده است و سپس باز هم خدار اشکر ...

## *Iran, Jordan to expand agricultural cooperation*

TEHRAN - Jordan's Minister of Agriculture, Mijhim al-Khurayshah, will visit Tehran in May to explore ways of expanding Iran-Jordan cooperation in the field of agriculture.

The Iranian Ambassador to Jordan, Mohammad Ali Sobhani, met with the Jordanian minister on Sunday to discuss the visit, IRNA reported.

The discussions in Amman focused on exchange of palm and olive saplings between the two countries.

## **Armed forces, defenders of nation's borders, values**

TEHRAN - The Leader of the Islamic Revolution, Ayatollah Ali Khamenei, here on Sunday referred to the Iranian armed forces as "the defenders of the material and spiritual borders of the nation."

Addressing an audience of the army commanders on the occasion of the army day, the Leader stated that the presence of a committed armed force serving the no-

ble goals of the nation has enabled the Iranian nation to consistently resist the hegemonic intentions of big powers, IRNA reported.

On what sets apart the Iranian army from most other armies in the world, Ayatollah Khamenei said that most armies serve the evil intentions of a group of self-centered individuals. On the other hand, the Leader stressed, the Iranian army

aims to restore rights, fight injustices and defend the country's independence and identity against the aggressors.

Speaking of the presence of the American armed forces in the Persian Gulf, far from its own territories, the Leader said when a foreign power has evil intentions, it does not confine itself to any borders.

The commander in chief of the armed forces called for preparedness on part of the country's armed forces to defend the nation's independence which was brought about by the 1979 Islamic Revolution in Iran.

The unity and harmony amongst the army, the Islamic Revolution's Guards Corps, the law enforcement corps and the volunteer forces (Basij) is the main source of the forces' might and efficiency, the Leader pointed out.

Prior to the Leader's speech, the army's joint chief of staff presented a report on the status of various divisions of the army.

Major General Ali Shabazi further stressed the force's readiness to defend the sovereignty of the country and to carry out the directives of the Leader.

TEHRAN - President Mohammad Khatami here Sunday stressed that the Academy of Medical Sciences should be equipped with the up-to-date scientific information through direct contacts with international science academies.

Addressing members of the Academy of Medical Sciences of Iran, the president underlined the need for young researchers to take part in research projects and other scientific activities, IRNA reported.

He called on the country's academies to hold various meetings to discuss different scientific issues.

Prior to the president's speech, Iraj Fazel, head of Medical Sciences Academy briefed the audience on training of manpower in the field of medicine, and health care situation in the country.

During the ceremony, President Khatami was awarded the special plaque of the Academy of Medical Sciences by

## **Share of steel increases in non-oil exports**

AHWAZ, Khuzestan - Share of steel in non-oil exports which was 3.26 percent in the Iranian year 1375 (started March 20, 1996) increased to 5.87 percent last year, said the Minister of Mines and Metals Eshaq Jahangiri here Saturday.

Talking to IRNA he added that 830,000 tons of steel was exported last year and steel exports registered a 85 percent increase in the same period

compared to the amount exported in the Iranian year 1375.

Jahangiri also expressed hope that within the next three years 12 million tons of steel will be produced in the country.

He further said that 105,000 tons of copper was produced in the country last year which was five percent

more than the amount produced in the previous year, adding that with the implementation of the foreign investment projects the production will be doubled.

Jahangiri concluded by saying that licenses issued for mine excavation will be valid for a 25 year period and will also be acceptable as collateral by the banks.

**Dorri Najafabadi:**  
National security first priority  
for sustained development

MAHABAD, West Azarbaijan - Information Minister Orbanali Dorri Najafabadi who is here on a routine visit told a gathering of local people Sunday that national security is the first priority for sustained development.

He said public wakefulness and the presence of the people on the various scenes is an important element for maintaining that kind of security, IRNA reported.

The information minister said unemployment rate in Mahabad now stands at 15 percent which, he said, requires proper investments for improving the employment rate in that city.

He hoped credits would be allocated for creating better employment and improving local industries.

**Tokayev:**  
Tehran-Akmola ties at highest level

TEHRAN - Kazakh Foreign Minister Kasymzhomart Tokayev said that Tehran-Akmola relations are at highest level, calling for further expansion of bilateral ties.

Speaking in a meeting with Iran's Ambassador to Kazakhstan Hassan Qashqavi, the Kazakh minister said one of the prime objectives of his ministry is further promotion of ties with the Islamic Republic of Iran.

He said Kazakhstan considers Iran as an important country in the region and thus attaches great significance to the promotion of ties with the Islamic Republic of Iran.
