Virginia Tech Staff Employee of the Week

November 27, 2006

Name: Angela Riegel

Job Title: Program Specialist

Employee's Home Department: Wood Science and Forest Products

Employee's College or VP Area: College of Natural Resources

Nominated For: President's Award for Excellence

Nominated By: Paul M. Winistorfer, Department Head

Virginia Tech Hire Date: November 7, 1988

Summary

Ms. Angela Riegel was nominated by her department head for her extraordinary contribution in her role and responsibility for the department's annual report, "Creative Achievements." The report, published in March 2005, was chosen by the Printing Industries of Virginia as the first place winner of the Award of Excellence for Graphic Communications.

Ms. Riegel was responsible for gathering, verification, and organization of materials, and worked in tandem with the graphic designer, Arlice Banks, to ensure a high quality publication. Her dedication to this project was exceptional. She was accurate, efficient, organized, and incorporated a wide range of inputs into this report. She met deadlines and worked upstream to the graphic designer in an effective and efficient way.

Angela worked from January through March on this publication. The recognition of the report by the Graphics Communication Award in a state-wide competition is a testament to the quality of her work.
