Summary

Mission Statement:

"Achieving collectively what we can't achieve alone."

For several years we have participated in the Salvation Army Fill a Back Pack Program and the Salvation Army Christmas Angel Tree/Fill-A-Stocking Program. We collected items for 37 angels and we filled 12 stockings. We did these projects again this year and we really did well. We added one extra project and that was to collect food for the Montgomery County Emergency Assistance Program. I would like to say thank you to all the Case Officers, CASE Representatives, staff, and faculty who helped to make all these projects a success. "We could not have done it without you"

I would like to thank all of the people world wide for the condolences that we received after the West Ambler Johnston Hall and the Norris Hall tragedy on April 16, 2007. *"We are Virginia Tech, we will prevail"* --Jessie Eaves, Chair
