

## *Staff Employee of the Week*

### **Judy Alford**

**JOB TITLE:** Business Specialist

**HOME DEPARTMENT:** Learning Technologies

**COLLEGE OR VP AREA:** VP for Information Technology

**NOMINATED FOR:** Staff Leadership Award

**NOMINATED BY:** Anne Moore, Associate Vice President for Learning Technologies

**VIRGINIA TECH HIRE DATE:** June 31, 2001

### **SUMMARY**

In her capacity as the Business Specialist in Learning Technologies, Judy has been instrumental in the development and expansion of all the units within Learning Technologies. She sets a high standard in everything she does and models exceptional professional, ethical, and respectful behavior in all of her interactions. Judy is a wonderful colleague, one who is always willing to step up and go beyond the bounds in order to help Learning Technologies function effectively, efficiently, and creatively. Judy's clear, focused, and optimistic approach to her work affects us in important ways. She approaches challenges with enthusiasm and diligence, and her work ethic is unparalleled. Judy's influence extends beyond our department as well. She has served as the President in the Staff Senate, and she is an advocate for all staff. She works hard to make Learning Technologies and the university a more equitable, inclusive, and welcoming place.
