Marc White, Sr.

JOB TITLE: Trades/Utilities Master Mechanic

HOME DEPARTMENT: Physical Plant

COLLEGE OR VP AREA: VP for Administrative Services

NOMINATED FOR: President's Award for Excellence and Governor's Star Award

VIRGINIA TECH HIRE DATE: January 10, 2004

SUMMARY

Marc has exemplified outstanding qualities in his workmanship, including licenses for electrician and plumbing. He studies and makes notes of building problems, such as leaky faucets, irregular thermostat control, exhaust problems, and housekeeping problems, just to name a few. He fixes the problem himself or calls the appropriate people to get the problem resolved in a timely manner.

Marc is knowledgeable of policies and procedures for all of the Virginia Tech community. He has helped researchers and lecturers in both the Wallace Hall and Litton Reaves Hall resolve problems of noise, leaks, and any malfunction in their student rooms, including the animal facilities. He volunteers his time after work hours to help others. Marc is a gentleman, friendly and courteous to all with his unique personality. He always has a positive attitude and makes anyone feel at ease in all situations and has never used the words "it is not his job."
