COLLEGE OR VP AREA: Vice President for Student Affairs

NOMINATED FOR: Staff Leadership Award

SUMMARY

Leketa Miller is the Executive Assistant to the Commandant of Cadets. She has served in this position for 10 years, with the Corps for 14 years, and at Virginia Tech for 23 years. Leketa is a role model for her fellow staff members and the over-900 cadets she works with in the Virginia Tech Corps of Cadets. As described by a former cadet, "Mrs. Miller is, without a doubt, the heart and soul of the Virginia Tech Corps of Cadets community. Her level of commitment to the Corps and cadets is unparalleled." Her leadership amongst the staff and especially in mentoring and advising the cadets sets her apart. Her expert knowledge and outstanding level of dedication make her a leader by example, but she is much more as the staff and cadets repeatedly seek her counsel as an advisor and mentor. Leketa demonstrates absolute commitment to our university motto, Ut Prosim, "that I may serve", via her exemplary work ethic and compassion for others. The Corps would not be enjoying its current success (largest Corps since 1969) exceeding the Campaign for Virginia Tech fundraising goals, and numerous cadet leaders recognized across campus and nationally, without Leketa Miller.
