

## *Staff Employee of the Week*

### **Charles (Stanley) Williams**

**NAME:** Charles (Stanley) Williams

**JOB TITLE:** Plumber Steamfitter Supervisor

**HOME DEPARTMENT:** Facility Services – Steam Plant Operations

**COLLEGE OR VP AREA:** Vice President for Administrative Services

**NOMINATED FOR:** President's Award for Excellence

**NOMINATED BY:** Billy Dudding

#### **SUMMARY**

Stanley Williams has worked his entire career of 29 years at the Virginia Tech Power Plant. He has served as maintenance supervisor at the Power Plant since 1986.

Stanley is well known as a skilled welder and millwright. He is the leader of a team of dedicated employees that maintain systems at the Power Plant in order to ensure the highest degree of reliability of the steam generating system that heats most of the campus. He consistently performs his duties with distinction and attention to needed safety details.
